Ngong Ping 360 / Giant Buddha
Ngong Pong Skyrail is a visually spectacular 5.7km cable car journey, travelling between Tung Chung Town Centre and Ngong Ping on Lantau Island. Guests will enjoy some of the best views in Hong Kong, as their cable car cabin glides over the South China Sea and North Lantau Country Park on an amazing 20-25 minute experience. Next to the terminal is where the Giant Buddha located. Measuring 34 meters high and weighing 220 tons, the Giant Buddha of the Po Lin Monastery is the world’s largest copper statue of a sitting Buddha, and one of Hong Kong’s most famous tourist attractions. The nearby Ngong Ping Village also offers several themed attractions, shops and restaurants.

**Hong Kong Wetland Park**
The 61-hectare Hong Kong Wetland Park demonstrates the diversity of the Hong Kong’s wetland ecosystem and highlights the need to conserve them. Inside the Wetland Interactive World visitors will find themed exhibition galleries, a theatre, & an indoor play area (swamp adventure) which showcase the importance of wetlands on biodiversity, civilization and conservation.
